

Dear Student

Re: Autumn Exam Series 2021

If you wish to be entered for this examination series then you will sit them here at Nishkam High School, even if you have left the school. The exception to that rule is if you did not achieve a Grade 4 in either GCSE Maths or GCSE English, in that instance we would advise that you should re-sit these subjects at your new institute as part of your re-sit course.

A Level: exams will run from Monday 4th October until Friday 22nd October.

GCSE: exams will run from Monday 15th November until Thursday 2nd December.

November usual exams series for GCSE Maths and English Language: will run from Monday 1st November until Monday 8th November.

If you wish to sit any examinations in the Autumn exam series, you must notify us by the internal deadlines, below. This allows us time to process any such requests and accept payments.

Autumn Entry INTERNAL Deadline for A Levels: Wednesday, 1st September 2021

Autumn Entry INTERNAL Deadline for GCSEs (including English Language and Maths): Friday, 24th September 2021

Actions required:

1. Please complete the form below and return it to the school office. These MUST be subjects you were entered for in Summer 2021 and the information for these subjects will be on your Statement of Results.
2. Candidates will need to pay for any exam entries. Once you have contacted school we will be able to let you know the costs which you can pay before we can make the entry. This is to ensure that if students do not then turn up for the exam, the school will not bear that cost; we will return the entry costs, in full, to you once you have sat the exam(s).
3. Once entries and payments have been received, provisional timetables will be posted separately at a later date. You will also receive confirmation when the entries have been made, a statement of entry and a copy of the JCQ 2021/22 Rules and Regulations to read.

If you have any concerns or queries, please do contact me at the school.

Kind regards

Mr C Deeks
