Dear all,

Nishkam High School are seeking a variation in respect of our determined admissions arrangements for 2022/2023, for which the Trust is our Admissions Authority. Birmingham City Council School Admissions is assisting the school with this process.

Details of the variation that Nishkam High School have sought via the Education & Skills Funding Agency (EFSA) are stated below:

Nishkam High School Birmingham is writing to notify you of a proposed in year variation to our Admissions Arrangements for the year 2022/2023. This will affect admissions to Year 7 and all year groups within academic year 2022-2023.

Nishkam High School Birmingham has currently removed those provisions relating to 'random allocation' in its admissions arrangements and is reverting to the previous arrangements determined for 2021/22. All other aspects of our admissions arrangements remain unchanged.

Further details can be found at: <https://www.nishkamschooltrust.org/nhsb/admissions/how-to-apply>

Nishkam High School have made this request to the EFSA in order to work closely with Birmingham Local Authority to enable the school to deal lawfully, fairly and transparently with their admissions and to remain compliant with the School Admissions Code.

The rest of Nishkam High School's admissions arrangements will remain the same as previously determined.

Any queries regarding the above variation, please contact Nishkam High School at [enquiries.nhsb@nishkamschools.org](mailto:enquiries.nhsb@nishkamschools.org) by 6<sup>th</sup> June 2021.

Yours faithfully,

Nishkam High School
