Introduction	<p>The Nishkam High School Birmingham (NHSB) is an exceptional state funded Independent school. It is a non-selective inclusive school for both boys and girls aged 11 – 19 years. NHS is a Sikh ethos multi-faith school open to all. The school is a member of the multi-academy trust of schools known as the Nishkam School Trust (NST).</p> <p><b><u>NST School Vision</u></b> To empower children with values to enable them to excel academically and spiritually, enabling them to serve humanity selflessly (<i>Nishkam</i>) with an abundance of love, compassion and forgiveness.</p> <p><b><u>Sikh ethos</u></b> Encourages pupils to practice their own faith whilst learning about major world religions and supporting others to practice their respective faiths.</p> <p><b><u>Multi-faith approach</u></b> Encourages and supports pupils of all faiths and none in a context of shared values.</p> <p>At NHSB we believe that all pupils can succeed when given outstanding teaching, pastoral care and family support. We offer academic excellence with faith inspired values. The overall Nishkam approach to education can be summarised as: “More than Academic Excellence, More than a School, More than Self”.</p> <p><b><u>Faith Inspired</u></b> - learning from the wisdom of religions At Nishkam Schools. our pupils explore the divine context of humanity and wonder of all creation. They not only learn about. but also learn from, the wisdom of religions and in so doing explore the infinite human potential to do good unconditionally. We support pupils to develop aspects of their own religious, spiritual or human identities. They learn about serenity through prayer and humility in service and in so doing, they deepen their own respective faith, and respect the common purpose of all religious traditions, as well as respecting the beliefs of those with no faith tradition. They explore the unique divinity of the individual, and our common humanity. Pupils are enabled to commit to and practise their faith/belief through knowledge, and experiential learning. Commitment in faith maybe demonstrated by pupils through faith initiation (eg Baptism/Amritdhari) and regular faith practice (prayer, service and understanding elements of scripture).</p> <p><b><u>Virtues Led-</u></b> nurturing compassionate, responsible human beings At Nishkam Schools. we believe that the fostering of human virtues forms the foundation of all goodness. Our curricula are carefully enriched to allow experiences where our pupils. teachers and parents alike learn to grow through a conscious focus on virtues. Our virtues-led education approach helps to provide guidance to enable pupils to understand their choices in order to help lead better lives. Our pupils become self-reflective and flourish: they are able to build strong, meaningful relationships and understand their responsibilities to the global family and all creation founded in faith.</p>
