Dear Parents/Carers

Further to the communications already sent out, I wanted to reassure you that the school is following all guidance from Public Health England and the Department for Education and have stringent plans in place.

As you will be aware, this is a very fluid situation and one that is changing rapidly. We have posted on our website, Nishkam Schools Trust's: 'Coronavirus School Closure Plan'. A link to that document can be found below:

In the event of a directive from government to close the school, we will post a more detailed document on our website that will offer clear advice and guidance detailing our plans for each year group.

Yours Sincerely,

Mr D Kearns
Principal
