**Teacher & participant feedback**

**The benefits of residential experiences**

**Sleeping & eating**

**Q & A**

# INGESTRE HALL: CENTRE FACTS

## Location

A 400 year old Jacobean mansion creating a dramatic backdrop for creative & expressive arts.  
Ingestre, Staffordshire, ST18 0RF

## Outside

26 acres of landscaped gardens. Plenty of safe space to play.

## Inside

Professionally equipped studios, including recording studio, live performance space and animation suites.

**90 single beds**  
**Dorms of 4 to 11**  
**Groups of 50+ have sole occupancy**

# INGESTRE HALL

A magical place....

**The Great Hall**

**26 acres of grounds to explore**

# ACTIVITIES

Activities at Ingestre are all about creating something original.

We give people the time and space to imagine, explore a topic, try things out, and share what they've done. It's not just for the "arty" people!

## Activities include:

- Drama
- Art
- Dance
- Music
- Film making
- Animation
- Photography

**Creativity takes courage.....  
.... but it's a huge amount of fun!**

# LEARNING

Whether it's delivering high quality arts activities or simply learning through staying away from home and having fun, the Ingestre team have the soft skills to help every young person achieve more than they ever expected.

We are specialists in residential experiences, and know how valuable it can be.

## Tailored Programmes

Every visit is unique. The team work with school and the pupils to shape an exciting, fun, and valuable visit to Ingestre.

**Group sizes are 15 students to 1 Ingestre tutor supported by school staff.**

# WHY GO TO INGESTRE HALL?

## A YOUNG PERSON'S PERSPECTIVE

Try out exciting activities like animation, recording music, creating artwork such as pictures and sculptures, or creating a dance

Explore an amazing new place

Make new friends and get to know your classmates even better

Be adventurous: Go beyond your comfort zone and be open to new experiences.

Develop skills, discover passions, boost confidence

# THE EVIDENCE

## “LEARNING AWAY” – BRILLIANT RESIDENTIALS

Learning Away conducted independent research over 5 years. Their findings show how a residential experience can:

- Improve students’ engagement with learning
- Support students’ achievement
- Improve resilience, self-confidence & wellbeing
- Smooth transition
