Fathers Day Workshop

Our Reception teachers held a very interactive workshop.

Tudor World in Stratford-upon-Avon

"Last week, we embarked on an adventure back in time to the Tudor era. First, shortly after arrival, my class were split up into two groups, then each group was accompanied by a tour guide. Our tour guide taught us about theatres and the army in Tudor times. After a short break my group switched with the other group. This session was profoundly interesting as we broadened our knowledge of the plague and we learnt about a famous archer.

After that, it was crime and punishment time! We learnt why people were beheaded, branded, burnt, drowned and their tongues pierced with a sharp instrument if they nagged too much. After lunch, we set out to uncover Shakespeare's history. We visited: Shakespeare's dad's house, Shakespeare's daughter's house and Shakespeare's school.

My favourite part was when we learnt about theatre and the army. I thought the museum part was a bit scary, however the Shakespeare's history was interesting. Generally, the trip was excellent."
