

9th March 2020

Dear parent/carer,

Safeguarding

When bringing your child to school please ensure safety is your first priority. Under no circumstances should your child be left to walk into school alone, unless they are in Year 5 or Year 6, and you have given written permission. Your child should not be left alone in the playground without a parent/carer as the school cannot not take any responsibility until the school doors open at 8.45am.

As you will be aware in the morning, our doors close at 8.55am; after this time, you will not be allowed to enter through the rear gate. Entrance should be through the front of the school where your child will be marked as being late. If you are driving to school, please park in a safe location that avoids using Cherry Street. Parking on restricted areas including on the corner of the road or on pavements restricts access for other users and can create dangerous situations for cars pulling out of junctions. Sainsburys is a great option as it provides an easy walk to school and reduces CO2 admissions around the school area. If you have to park closer to school, please make use of our school crossing patrol; as crossing the busy road, can be very dangerous.

Thank you for your continued support.
