

Dear Parent/Carer,

Friday 7th May 2021 is Maths Number Day, as we have done in previous years it is an opportunity to raise money for the NSPCC and have a big focus on Maths.

I would ask all children to 'dress up for digits' or wear any other non-school uniform items. In previous years children have been creative dressing up as a calculator or even wearing a t-shirt with an X (multiplication symbol), they will also take part in additional Maths related activities during the school day.

As this is an opportunity to raise money for the NSPCC we would ask for a suggested donation of £1.00 to be made via ParentPay.

Since it launched 20 years ago, over 3,500 schools have got involved with Number Day and raised nearly £2 million for the NSPCC.

In the past we have raised a lot of money from cake and drink sales and children have also raised money by being sponsored, but, under the current climate this will not be possible, however, we will still like to make this an engaging and fun event for a worthy cause.

Many thanks for your continued support.

Mrs Chahal
Maths Lead and Class Teacher
