Dear Parent/Carer,

Move Up Day - Transition

We are pleased to inform you that this year our 'Move Up Day' will be on Monday 19th July. During this day your child(ren) will spend time with their teacher for next year in the classroom they shall learn in. This day will ensure that when the children come back in August they are fully prepared and eager to learn.

As is now standard practice in our school the children moving into Year 1, 3 and 5 will have their classes reorganised. We have considered many factors related to the academic achievement, class dynamics and, where possible, have considered friendship groups.

We can confirm the teachers for each class will be as follows:

Class	Teacher
Truth 1	Mrs Tolley
Truth 2	Miss Hollinshead
Service 1	Miss Narrowmore
Service 2	Miss Price
Humility 1	Miss Gull
Humility 2	Mrs Johal
Compassion 1	Miss Meras
Compassion 2	Miss Ward
Forgiveness 1	Mr Landers
Forgiveness 2	Miss Holman
Contentment 1	Mr Darby
Contentment 2	Mrs Patel
Optimism 1	Mrs Chahal
Optimism 2	Miss Kainth

Details of the arrangements for the new academic year in August will follow at a later date. The guidance from government setting out what restrictions will be in place for schools will determine how this looks. This may not be released until during the holidays so please remain patient with us.

Yours sincerely,

Mr H Dhanjal
Headteacher
