

### Phonics

It is integral that children in EYFS – Year 2 receive instruction in Phonics every day.

We will be continuing with the Letters and Sounds Programme and you may be sent a range of resources from the following places:

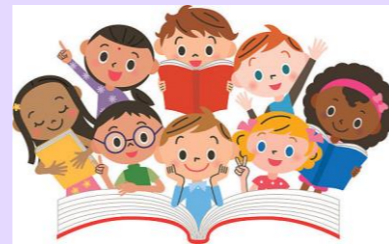

- Reading Eggs and FAST Phonics
- Youtube links
- Phonics Play
- Topmarks
- Oxford Reading Tree interactive books
- eBooks

### Reading

Your children need to be reading for a minimum of 20 minutes per day. We do this timetabled at school and expect the same time commitment to be met at home. In order to support you, we will be doing the following:

- Sending eBooks weekly via Class Dojo
- Monday English lessons will be Reading focussed
- Class teachers will be recording and sharing DEAR sessions daily

## Our Home Learning Offer English

### Writing

During your child's isolation period, we will be providing an ambitious English curriculum that is aligned with the curriculum delivered to their year group in school. They will be following the same 'Writing Process' that we use daily in school. In order to ensure your child has everything they need to produce high quality written work, we will be using a range of resources. You will see resources from the following places:

- CLPE
- Oak Academy Trust
- Talk 4 Writing
- Literacy Shed
- As well as teacher's PowerPoints and resources

### GPS

In order for your children to produce the highest quality written work, they need to practise their Grammar, Punctuation and Spelling.

Throughout the week, they will be set GPS tasks in English lessons. For Grammar and Punctuation, you will see resources from:

- Oak Academy Trust
- Classroom Secrets

For Spelling, your children will receive spelling rules activities and a spelling word list each week. You will have a video-based live spelling test to attend each week with the classroom teacher.
