Update on Face Coverings

Dear Secondary Parents / Carers,

You may have read in the news that the government guidance on face coverings in secondary schools is changing from Monday. Consequently, some schools nationally will be informing pupils that they no longer have to wear them.

At Nishkam School West London, however, **students will still be required to wear face coverings**. We are exercising this cautious approach due to concerns around cases of CV19 variants which have led to surge testing in the Isleworth area.

Our intention is to review the situation during half-term, so please expect a further communication from us at that point.

Kind regards,

Tom Cragg
Principal
