

Nishkam School West London - School Bus Service

We are proud to have launched our School bus service in September 2018, providing a safe, reliable and inexpensive way to ensure pupils are brought to and from School each day.

New Bharat Coaches are the School bus providers and together, we have worked to develop a user-friendly system and have tried and tested the bus routes currently in place. The cost is only £4/day for the return trip or £2 for a single trip. Registration must be for 5 days single use or 5 days return use. Places will be available on a 'first come, first served basis' only.
