

## Virtues Writing Competition!

Dear All,

I am really excited to launch our very first virtues writing competition. I would like you to think creatively and write a **short story** which focusses on one virtue from the **Nishkam Passport**, it could be linked to others too because all virtues are linked! Think of the character/characters, the setting, the plot and how you are going to 'hook' the reader.

The deadline for entries is **Tuesday 1<sup>st</sup> March 2022**

Be creative, be imaginative and put your writing skills to test! I look forward to reading your stories!
