Dear Parents/Guardians

As we move closer to the 2022 Key Stage 2 Tests, we wanted to give you some more information about the tests and how you can best support your children. We have recorded a presentation to give you more information.

We have also created a Padlet area where you can post your questions to the year 6 staff, and we will answer them as soon as possible.

If you would prefer, you can also contact your child's teacher by messaging us on ClassDojo or contacting the school office.

Kind regards
