Dear Parent/Carer

We are delighted to inform you that we are looking to start Islamic studies for our Muslim children.

A volunteer Arabic teacher, Miss Samama Suleman from Tayyaba Mosque, has offered her services and time weekly on Friday mornings from 8.00 am to 8.45 am.

We will be working together to create a study plan incorporating the Nishkam virtues alongside Islamic studies.

Obviously, this can only take place if we have enough pupils who wish to attend. Please could you inform us of your interest so that we may start planning and implementing.

Thank you for your continued support and co-operation.
