Q2 What is the Nishkam School Trust Vision for all of its school?

The NST vision is: **“To empower children with values to enable them to excel ACADEMICALLY and SPIRITUALLY enabling them to serve humanity selflessly, with an abundance of love, compassion and forgiveness.”**

At Nishkam Schools, our pupils explore the divine context of humanity and wonder of all creation. They not only learn about, but also learn from, the wisdom of religions and in so doing explore the infinite human potential to do good unconditionally. We support pupils to develop aspects of their own religious, spiritual or human identities. They learn about serenity through prayer and humility in service and in so doing, they deepen their own respective faith, and respect the common purpose of all religious traditions, as well as respecting the beliefs of those with no faith tradition. They explore the unique divinity of the individual, and our common humanity.

At Nishkam Schools, we believe that the fostering of human virtues forms the foundation of all goodness. Our curricula are carefully enriched to allow experiences where our pupils, teachers and parents alike learn to grow through a conscious focus on virtues. Our virtues-led education approach helps to provide guidance to enable pupils to understand their choices in order to help lead better lives. Our pupils become self-reflective and flourish; they are able to build strong, meaningful relationships and understand their responsibilities to the global family and all creation, founded in faith.

At Nishkam Schools, our pupils and staff alike aim to become the best human beings they can possibly be, in all aspects of spiritual, social and academic life. We foster a school culture which inspires optimism and hope, as well as determination and confidence, for all to achieve their best possible. This is accomplished through a rich and challenging curriculum, along with excellent teaching to nurture awe and wonder. Pupils gain a breadth and depth of knowledge and a love of learning to achieve their full potential.

- Religious Education - on average 10% of the timetable (60% Sikh faith; 10% each for other faiths).

Together with current staff, we will be assessing what changes we may need to make to strengthen the quality of education provision and will keep you regularly informed. Parent meetings will be offered to allow us to listen to your ideas and thoughts. Planning meetings with the DfE to develop the Eden house site to complete the school site will take place. The term dates for 2018/19 term will remain exactly the same and there will be no break in your child's education.
