## **Our Vision and Ethos**

Nishkam schools are Sikh ethos multi faith schools that take a distinctive approach to many traditional faith schools. The Nishkam School Trust education model is led by virtues such as, compassion, humility, service, contentment, optimism, trust and forgiveness. Virtues are prevalent throughout our teaching and learning model and are modelled by our pupils, staff and teachers. Our pupils explore the divine context of humanity and wonder of all creation and also learn from the wisdom of all religions and in doing so explore the infinite human potential to do good unconditionally. We support all pupils and staff to develop aspects of their own religious, spiritual or human identities. In service of God, we pray for guidance in this endeavour and forgiveness for the errors we may make.

### **1. Introduction**

The Headteacher/Principal and Trust Board recognises the value of providing a wide range of experiences to enrich and extend pupils' learning and to contribute to their personal development. The Headteacher/Principal and Trust Board aims to promote and provide such experiences for the pupils of the school, both as part of a broad and balanced curriculum and as additional optional activities. However, many of these activities have an associated cost and cannot be provided unless voluntary contributions are received or parents are charged for the cost.

This policy will set out the circumstances in which charges will or will not be made for school activities and when charges may be waived in order to ensure that all pupils have an equal opportunity to benefit from school visits, curricular and extra-curricular activities.

### **2. Statement**

The policy complies with the requirements of the Education Act 1996 (where 'parent' is referred to this will include adults with a responsibility for the pupil).

We aim:

- To make school activities accessible to all pupils regardless of family income
- To encourage and promote external activities which give added value to the curriculum
- To provide a process which allows activities to take place at a minimum cost to parents, pupils and the school
- To respond to the wide variations in family income while not adding additional unexpected burdens to the school budget

### **3. Legislation**

#### During School hours

DfE guidance states that "education provided during school hours must be free. The definition of "education" includes materials, equipment and transport provided in school hours by school to carry pupils between the school and an activity." It goes on to advise that "although schools cannot charge for school time activities, they still invite parents and others to make voluntary contributions (in cash or in kind)"

When additional costs are incurred by Nishkam School to enhance the curriculum opportunities for the pupils, parents may be requested to make voluntary contributions. However, no pupil will be left out of an activity because his or her parents cannot or will not make a contribution of any kind.

#### Outside School Hours

DfE guidance states that "Parents can only be charged for activities that happen outside school hours when these activities are not a necessary part of the national curriculum or religious education. No charge can be made for activities that are an essential part of the syllabus for an approved examination. Charges may be made for other activities that happen outside school hours if parents agree to pay. The Education Reform Act 1988 describes activities which can be charged for as "optional extras".

#### **4. Remissions**

To ensure that access to activities reflects our intentions, Nishkam School Trust will implement the following Remissions Policy. The fundamental aim of this policy is to ensure that all pupils gain fully from everything that the school is able to offer them and is based on an understanding of the relationship between low income, entitlement and access.

This policy takes into account the very real and persistent difficulties which people on low income have in meeting the costs of educational activities for their children.

Where parents are in receipt of Income Support, Income Based Jobseekers Allowance, Support under part IV of the Immigration & Asylum Act 1999 or Child Tax Credit (provided that Working Tax Credit is not also received), the Governing Body will endeavour to observe its statutory requirement to remit in full the cost of board and lodgings for any residential activity that the school organised for the pupil if the activity is deemed to take place within school hours.

There is a recognition that there may be cases of family hardship which make it difficult for pupils to take part in other particular activities for which a charge is made. When arranging a chargeable activity, the Governing Body will invite parents to apply in confidence for the remission of charges in part or in full. Authorisation of remission will be made by the Head Teacher in consultation with the Chair of Governors.

#### **5. Data Protection of pupils and families**

Teachers will ensure that these children are not publicly identified and stigmatised. This is particularly important as the fear of stigmatisation is often a key element in the non-take up of Free School Meals.

#### **6. Contributions**

Voluntary contributions may be requested to help with providing activities even though they may be part of the normal school day or part of the National Curriculum. If voluntary contributions are requested for an activity it should be clearly understood that there is no obligation to contribute and that if the parent is unable or unwilling to pay, the child will not be excluded from the activity but that the activity might not be able to run.

#### **7. Charges**

The Governing Body reserves the right to make a charge for the activities and items detailed below:

- Trips which are not part of the school curriculum or are outside the school day (i.e. weekend residential)
- After school and pre-school clubs
- Music tuition if it is not required for the National Curriculum and is provided for an individual pupil or for groups of pupils.
- Damage to school property - the cost of replacing any item, such as a broken window or defaced, damaged or lost book, where this is a result of a pupil's behaviour.
- Visits to school by professionals e.g. Authors, storytellers, musicians, dancers, artists etc.
- Damage to school books (Reading scheme)

##### **7.1. Individual Music Tuition**

Charges may be made to parents for individual tuition in playing any musical instrument, even if such tuition takes place during school hours. Parental agreement and a signed contract will be obtained before the tuition is provided.

##### **7.2. Ingredients or Materials for Practical Subjects**

Parents are encouraged to provide ingredients, materials, etc. needed for practical subjects such as Food Technology. The Governing Body may charge for, at cost or less, or require the supply of, ingredients and materials if parents have indicated, in advance, their wish to own the finished product.

### **7.3. Lost School Equipment, Books**

Parents will be expected to replace or pay for the cost of lost items of School property.

### **7.4. Breakages and Damage to School Buildings, Furniture or Property**

Parents will be charged for damage caused as a result of a pupil's behaviour.

### **7.5. Visits during the school day**

A voluntary charge will be made to cover the cost of educational visits and other activities. However, as detailed at the outset, charges cannot be enforced where this forms part of the curriculum. Where the level of non-payment renders a trip financially unviable consideration will be given to cancellation.

### **7.6. Residential Activity**

The DfE in its guidance to School Governors states that "For a residential activity taking place largely during school time, or essential to the education provided at the school, no charge may be made for either the education or the costs of the travel. However, charges will be made for board and lodging in these circumstances, except for pupils who are receiving Income Support or Family Credit. The Head Teacher will tell all parents of the right to claim free activities if they are in receipt of these benefits." A voluntary contribution will be requested by the school for such activities.

### **7.7. Public examinations**

No charge shall be made in respect of the entry of a registered pupil at any Nishkam school. Charges are applied for the entry of a student for an examination for which he/she has not been prepared by the school. Re-sit examinations are not subject to charge where the pupil has been prepared by the school. Where a student has paid for an examination re-mark and the new grade exceeds the original, then a refund is made for the fee.

### **8. Monitoring and Review**

This policy will be reviewed by every two years by the Finance and Resources Committee.
