Our Vision and Ethos

Nishkam schools are Sikh ethos multi faith schools that take a distinctive approach to many traditional faith schools. The Nishkam School Trust education model is led by virtues such as, compassion, humility, service, contentment, optimism, trust and forgiveness. Virtues are prevalent throughout our teaching and learning model and are modelled by our pupils, staff and teachers. Our pupils explore the divine context of humanity and wonder of all creation and also learn from the wisdom of all religions and in doing so explore the infinite human potential to do good unconditionally. We support all pupils and staff to develop aspects of their own religious, spiritual or human identities. In service of God, we pray for guidance in this endeavour and forgiveness for the errors we may make.

1. Aims

This policy aims to:

- Set out our approach to requiring a uniform that is of reasonable cost and offers the best value for money for parents and carers
- Explain how we will avoid discrimination in line with our legal duties under the Equality Act 2010
- Clarify our expectations for school uniform

2. Our school's legal duties under the Equality Act 2010

The [Equality Act 2010](#) prohibits discrimination against an individual based on the protected characteristics, which include sex, race, religion or belief, and gender reassignment.

- To avoid discrimination, our school will:
- Make sure that our uniform costs the same for all pupils
- Allow all pupils to have long hair (though we reserve the right to ask for this to be tied back)
- Allow all pupils to style their hair in the way that is appropriate for school yet makes them feel most comfortable
- Allow pupils to request changes to swimwear for religious reasons
- Allow pupils to wear headscarves and other religious or cultural symbols
- Allow for adaptations to our policy on the grounds of equality by asking pupils or their parents to get in touch with headteacher/ principal who can answer questions about the policy and respond to any requests

3. Limiting the cost of school uniform

Our school has a duty to make sure that the uniform we require is affordable, in line with statutory [guidance](#) from the Department for Education on the cost of school uniform.

We understand that items with distinctive characteristics (such as branded items, or items that have to have a school logo or a unique fabric/colour/design) cannot be purchased from a wide range of retailers and that requiring many such items limits parents' ability to 'shop around' for a low price.

We will make sure our uniform:

- Is available at a reasonable cost
- Provides the best value for money for parents/carers

We will do this by:

- Carefully considering whether any items with distinctive characteristics are necessary
- Limiting any items with distinctive characteristics where possible for example.
- Limiting items with distinctive characteristics to low-cost or long-lasting items, such as ties

- Considering cheaper alternatives to school-branded items, such as logos that can be ironed on, as long as this doesn't compromise quality and durability
- Avoiding specific requirements for items pupils could wear on non-school days, such as coats and shoes
- Keeping the number of optional branded items to a minimum, so that the school's uniform can act as a social leveler
- Avoiding different uniform requirements for different year/class/house groups
- Avoiding different uniform requirements for extra-curricular activities
- Considering alternative methods for signaling differences in groups for interschool competitions, such as creating posters or labels
- Making sure that arrangements are in place for parents to acquire second-hand uniform items
- Avoiding frequent changes to uniform specifications and minimising the financial impact on parents of any changes
- Consulting with parents and pupils on any proposed significant changes to the uniform policy and carefully considering any complaints about the policy

Supporting to wear the Dastaar,

All keshadhari male Sikh pupils, (and optionally for female pupils) are required to wear the dastaar for year 7 and above. Please start practicing with your child as early as possible and at least by the beginning of the summer break. Please let us know if you require specific support to help your child learn to tie the dastaar when school starts.

Here are some videos made by others, that may help as a guide initially.

4.2 Articles of Faith

As a school, we encourage pupils to wear their 'articles of faith' (as specified by an appropriate religious authority). The school ethos is designed to:

- Encourage and value the religious practices of pupils and staff whilst ensuring the health and safety, and wellbeing of all pupils and staff.
- Support the practice of religious understanding and harmony within schools serving diverse religious and ethnic communities.
- Meet the requirements of the law and government guidance on the wearing of the Sikh articles of faith in the workplace and public spaces (such as Equalities legislation, Health and Safety practices and school policies).
- If your child is an *Amritdhari* (initiated) Sikh, please kindly:
 - inform us by completing the 'Article of Faith' form, to help us support his/her journey through the school.

- read the 'Articles of Faith' policy together with your child, to help understand his/her responsibilities in school.
- be guided that, a *Kirpan* should be worn under the shirt or blouse.
- consider, if your child is under the age of 11, for him or her to wear a small kirpan around the neck. Parents/ carers or pupils wishing otherwise should discuss this with the school leader on a case-by-case basis.
- During contact sport in secondary schools (football, rugby, basketball, netball, hockey) and all sports in primary schools and swimming, we, the school, will provide a specifically designed small kirpan secured and cushioned within a sports belt to wear as an alternative. The pupil's personal kirpan should kindly be removed by the pupil and placed in a specifically designed kirpan box provided by the school and left with staff in a predesignated space. It will be important that the sanctity of the kirpan is maintained in doing so.
- During P.E times and during any other physical activity, the Kara (steel bracelet) should be covered with a sweatband.

Jewellery

In the interests of safety, pupils should not wear jewellery as these items can easily become entangled and therefore present a health and safety risk.

To reflect any professional working environment, male students are not permitted to wear earrings.

Female students may wear simple stud earrings, one in each ear.

Pupils should **not** come to school wearing any of the following:

- Skirts above the knee length
- Pencil skirts
- Jeans or skinny trousers
- Leggings (or similar)
- Patterned or "fishnet" tights; only plain grey tights with the school skirt will be permitted
- Boots, flip flops, trainers – there should be no sports logos on any shoes
- Jewellery including bracelets, necklaces, wristbands, non-ear piercings. Stipulated articles of faith may be worn
- Earrings other than simple studs for female students, or multiple pairs of earrings
- Earrings for male students
- Make up
- False eyelashes
