

NPSB EYFS Menu

Why do we prioritise EYFS at NPSB?

"The goal of early childhood education should be to activate the child's own natural desire to learn" (Maria Montessori).

All children deserve a secure, good, safe and happy childhood. EYFS sets the standards for learning, growth, development and care of children from birth to five years old. At Nishkam Primary School, we strive to build positive relationships and create an enabling environment that practitioners will be confident in their interactions with children in order to further their learning. Every child deserves the best possible start in their learning life. The Early Years Foundation Stage provides support to children and helps to fully utilize their potential. Most children develop and learn during their early years, and the experiences they have between birth and age five have a remarkable impact on their future life.

Golden Threads:

GT1 – Love & Forgiveness vs Enmity & Hate **GT2** – Peace & Collaboration vs Conflict & War **GT3** – Trust in 'the Divine' / 'God'

Well-Structured	Ambitious & Inclusive	Life-Long Learners	Knowing more & remembering more	Subject knowledge and skills
<ul style="list-style-type: none"> Well-sequenced progression of knowledge and skills document. Lesson expectation document that outlines effective pedagogy in the Early Years. Purposefully planned units of work based on children's interests to build on learning.
