

Speech of Open Day

By

Jo-Ann Year 4

Good evening, everyone and welcome to Primley Wood Primary School.

I just want to say how much I love being here. For me, Primley Wood isn't just a school—it's a place where I feel happy, safe, and proud to come every single day. When I walk in each morning, I know I'm here to learn something new, with friends, and supported by teachers who really care.

Our teachers make lessons exciting and fun, and they always help us, even if we don't understand. They encourage us to keep trying, to ask questions, and to do our very best. My friends make school even more special—we laugh, we play, and we look out for each other.

But what I like most is that Primley Wood isn't just about lessons and homework. It's also about kindness, respect, and teamwork. We learn how to be good friends, how to listen to each other, and how to work together. These are things that will stay with us for the rest of our lives.

I've made so many wonderful memories here—in classes, on the playground, at clubs, and during special events. Each one shows me how privileged I am to be in such a caring community.

To anyone visiting, I hope you enjoyed looking around our school and seeing what makes it so special I am proud to be a student at Primley Wood Primley, and I know you will see why as you meet the teachers, pupils and staff who make such a great place to learn and grow.

Thank you, and welcome.
